

SAYS U. S. MUST FURNISH WORLD "LEADERSHIP"

"The leadership of the world of tomorrow must come from the United States," John "Ox" DaGross, Philadelphia, a member of the State Athletic commission, told 150 persons at the Moose lodge, York street, Wednesday evening. The occasion was the annual sports banquet for the athletes and cheerleaders of Gettysburg senior and junior high schools.

"We are the only country in the world made up of a heterogeneous people where all have learned to live together. Here all the peoples of the world have come, Germans, Irishmen, Englishmen, Russians, Ukrainians, Italians, and even Chinese and Japanese. And here we have learned to live together in peace."

"Here, too, we have learned to be competitive. We have learned it as youngsters in sports. We have learned how to compete and how to live together. From our competition in sports, we have developed a competitive spirit which has also taught us that no race, no color, no creed has a monopoly on intelligence, strength and skill."

Leadership From U.S.

"And the man who has learned that, how to compete to win, but who is not afraid to lose if he has given the game everything he has and who knows how to live together with his fellow man is an educated man."

"That is why we must supply the leadership of tomorrow. We are the only nation in the world that has learned this spirit of competitiveness, and living together. Even England does not have that same spirit. You can tell the spirit of a nation from its sports. We differ even from England. In England both the letter and the spirit of the law are observed. We are far more competitive. We seek to keep within (Continued on Page 7)

Littlestown COUNCIL NAMES POLICE CHIEF, HEALTH BOARD

Albert H. Miller, Jr., Hanover, was elected chief of police of Littlestown at the March meeting of the borough council Tuesday evening in the office of Borough Secretary Roger J. Keefe, North Queen street. Mr. Miller was one of five applicants interviewed by the safety committee, of the original applications received. The new chief will receive a salary of \$2,400, an allowance of \$400 for the use of his car and a clothing allowance. In addition to general police duties and parking meter servicing, Chief Miller will be health officer. He will have one day a week off and two weeks of vacation each year with pay.

Mr. Miller is a Hanover policeman and is also taking a police training course at Harrisburg. He told council that he would assume his duties as Littlestown chief of police on or about April 15.

Name New Health Board

Due to the resignation of Leon H. Gage as chief of police, who also served as health officer, it had become necessary for physicians to call upon state Sanitarian William I. Shields, Gettysburg, to perform some health officer duties. Council Tuesday night appointed a new health board, composed of Dr. Donald B. Coover, Dr. Leonard L. Potter, Dr. Phillip D. Zulick, Luke H. Jacobs and Donald Z. Mann to serve five, four, three, two and one years respectively. Mrs. Brenda B. Walker, was named secretary of the board.

Discuss Fire Hall

Council discussed building an addition or extension to the fire hall, for the fire apparatus and the community ambulance. At a recent informal meeting between the fire company officials and the borough council it was decided that the fire company officials obtain prices on an addition 30 feet wide and 48 feet in length, to be constructed of cement blocks, and that the cost or estimate be submitted at this meeting. However no price was submitted. Council obtained an estimate of \$5,600 for the addition. This amount did not include the cost of heating equipment or interior plastering.

Council then decided to cooperate with the Alpha Fire company on a proposed one-story addition 30 by 36 feet including plastered insulated walls and an additional gas heating (Continued on Page 7)

Rocket Is Fired 61 Miles In Air

Alamogordo, N. M., March 29 (AP)—The U. S. Air Force shot a 1,000-pound test rocket 61 miles into the air above the New Mexico desert yesterday.

The Air Force is conducting tests aimed at finding out what goes on in the upper air. Specifically, officials said the tests if successful probably will open a new phase of aeronautical and weather control developments.

Considered possible results are improved guidance of pilotless aircraft and long range missiles and better defense for the U. S., from the hazards of bacteriological and atomic warfare.

Yesterday's rocket was the first fired in the new tests. When it was at the top of its flight, about 100 pounds of sodium chloride was exploded. Experts hope to determine the source of sodium known to be in the upper atmosphere.

M'CAUSLIN IS NEW PRESIDENT AUTO DEALERS

Approximately 300 Adams county inspection station operators, their employees and guests were present at the annual meeting of the Adams County Automobile Dealers association, Wednesday evening, at Basehoar's restaurant, Littlestown, representing the 70 inspection stations in the county. In the absence of the president, Ralph A. White, the meeting was in charge of Glenn Guise, Adams County Motors, Gettysburg, who was chairman of the nominating committee. Other members of the committee were Arthur E. Hutchison, H. and H. Machine shop, Gettysburg, and Richard Warren, Warren Chevrolet, also in Gettysburg.

The following officers were elected: President, Dewey McCauslin, McCauslin Auto Sales, Gettysburg; secretary, David Oyler, Dave Oyler Motors, Gettysburg, and treasurer, B. G. Walters, Biglerville. Clarence R. Reck, retiring secretary, presented his own report and also that of the treasurer, which revealed a balance of \$407.76.

Chairman Guise gave a description of the association and explained its purpose. Earl Hoffman, chief of the inspection unit of the Bureau of Highway Safety, Harrisburg, spoke briefly, describing the inspection unit in Harrisburg which he said handles about 3,000,000 inspection stickers a year. Mr. Hoffman displayed a new 62-page safety pamphlet which can be secured from room 500, Department of Revenue, Harrisburg.

New Safety Book

The pamphlet, entitled, "Auto Drive — The Safety Book" was prepared by the governor's Highway Advisory committee and the back cover lists the "Ten Commandments" which are: Learn the safety-wise rules for city and country driving; keep your car in good condition; check vital parts regularly; drive only when sober, never when (Continued on Page 3)

LET CONTRACT FOR PAINTING

Kerrigan's Paint shop, 234 East Middle street, was awarded the bid to paint four buildings at the county home by the Adams county commissioners Wednesday afternoon.

Three painters bid for the work, Kerrigan's, J. H. Millar, Hanover R. 4, and Reynolds and Williams, York Springs. Separate bids were made for the administration building, women's building, insane building and men's building.

Kerrigan was low bidder on all four buildings, with a bid of \$225 for the administration building, \$634 for the women's building, \$344 for the insane building and \$290 for the men's structure. Millar's four bids totaled \$2,491 and Reynolds and Williams' four bids totaled \$2,968.

Two coats of paint are to be given to all outside surfaces and the work is to be completed by July 1.

41 Sisters Visit Mother Seton Tomb

Forty-one members of the Sisters of Charity of Convent Station, New Jersey, a branch of the Mother house at Emmitsburg, made a pilgrimage to the tomb of Mother Seton at St. Joseph's college, Emmitsburg, today. Among them were teachers in the Catholic high schools of Newark, New Brunswick and Jersey City.

The party arrived in Gettysburg late Wednesday afternoon, had dinner and were overnight guests at the Hotel Gettysburg, and visited the National museum. They left this morning for Emmitsburg, and will return to New Jersey late this afternoon.

JAMES S. CAIRNS NAMED HEAD OF SERVICE GROUP

James S. Cairns, representing the Rotary club, was elected president of the recently formed Associated Civic and Service group, at a meeting Wednesday evening at Mr. Cairns' home, Springs avenue.

Other officers elected were: First vice president, Mrs. Guyon E. Buehler, Women's Civic Council; second vice president, J. Herbert Raymond, Lions club; secretary, Donald Reel, Exchange club; treasurer, Mrs. Elizabeth Hennig, Soroptimist club. The officers will serve until January 1, and cannot succeed themselves.

The group is composed of three representatives from each of the four local service clubs, Rotary, Lions, Exchange, Soroptimists, and of the Women's Civic Council, which represents 29 women's group in Gettysburg. Its purpose is cooperative work for, local betterment projects which have not been accomplished through individual effort.

Group Representatives

Group representatives thus far selected are: Rotary, Mr. Cairns, Dr. Kenneth L. Smoke and John D. Teeter; Lions, Mr. Raymond and John H. Baschore; Exchange, Donald Reel; Soroptimist, Mrs. Hennig and Mrs. Donald Myers; Women's Civic Council, Mrs. Buehler and Mrs. Forrest Craver. Organizations which do not have three members in the group will name their additional representatives later.

Each organization will be asked to make a contribution for incidental expenses, to be mailed to Mr. Reel, together with a list of projects in which the club may have interest. Action in the near future is requested, after which another meeting will be called and definite plans made.

Those present at Wednesday night's meeting were Mr. Cairns, Dr. Smoke, Mr. Reel, Mrs. Hennig, Mr. Baschore, Mr. Raymond and Mrs. Buehler.

MISS ANDREW, LT. IMES WED

Miss Betty I. Andrew, Lyndonville, N. Y., daughter of the late Mr. and Mrs. J. Clarence Andrew, Cashtown, and Lt. Alden L. Imes, son of Mr. and Mrs. O. C. Imes, Echo, Minn., were united in marriage last Saturday at 5 p.m. in the chapel of the Bolling Air Force Base, Washington, D. C. Chaplain Norris T. Morton performed the double ring ceremony. A brief organ recital preceded the ceremony during which the traditional wedding marches were played.

Master Sgt. and Mrs. John M. Andrew, Washington, formerly of Cashtown, brother and sister-in-law of the bride, served as best man and the matron of honor.

The bride wore a light beige suit with matching accessories and a corsage of white roses. Mrs. Andrew's flowers were yellow roses.

Mrs. Imes graduated from Shippenburg State Teachers' college and is now a teacher in Bernardsville, N. J. Lt. Imes is a navigator of the Air Force at the Hunter Air Force Base, Savannah, Ga.

Following the ceremony a wedding dinner was served at the Old New Orleans restaurant, Washington, after which the couple left on a wedding trip through New York state.

INSKIP HEADS FAIRFIELD C. C.

Prof. George Inskip, principal of the Fairfield joint school system, was elected president of the Fairfield Chamber of Commerce at a reorganization meeting Wednesday night in the school building.

Other officers elected were: Vice president, Earl McGlaughlin; secretary-treasurer, James Freeman; members of the board of directors, J. B. Waddle, H. L. Harbaugh, Carl Filsinger, Edgar Newman, Wesley Schaeble and John Reindollar.

The committee to arrange a program for the next meeting is H. L. Harbaugh, chairman, Robert Newman and Mac Sites. George Steinberger is chairman of the membership committee, composed also of George Neely and J. B. Waddle. The membership will be \$5 a year. The chamber voted to affiliate with the state chamber. A constitution and by-laws were adopted.

The speaker was Walter Schenk, Harrisburg, secretary of the state Chamber of Commerce.

UNDERGOES OPERATION

Donald Sentz, Molly Pitcher hotel, manager of the J. C. Penney store, Carlisle, Wednesday underwent an operation on his right knee at the Carlisle hospital. Sentz injured the knee during the winter in a fall on the ice and required surgery. He formerly resided in Gettysburg.

Former Local Woman Now Red Cross Aide In Tokyo

Mrs. Corvan S. Bryan, 353 York street, the former Miss Marian McClear of Gettysburg, is shown above engaged in volunteer Red Cross work in Tokyo, working side by side with oriental women in sewing and knitting for UN troops in Korea.

Mrs. Bryan is shown here working with Japanese and American women in an international sewing room. Currently the group is sewing layettes for Korean babies born on the war-hit peninsula.

"Women here have a common bond in helping meet the needs of men fighting to preserve democracy," Mrs. Bryan told a Red Cross information service representative.

"The American Red Cross Volunteer Services, of which I am so proud to be a member, gives us an opportunity to feel and be useful."

The wife of Lt. Col. C. S. Bryan, who is food service supervisor of Headquarters and Service Command, she is a graduate of Gettysburg high school and attended Perry business school. She joined the Red Cross volunteers last November and has been active in Red Cross work in Tokyo since that time. She is assigned to a volunteer unit at Washington Heights, a dependent housing center in suburban Tokyo.

Col. Bryan, who owns a property at Cashtown, is a graduate of Gettysburg college in the class of 1929.

The Bryans' daughter, Marian Margaret, who is observing her eighth birthday anniversary today, is with her parents in Tokyo.

3 Park Service Officials Will Hear Charges

Three officials of the National Park Service, Washington, will come to Gettysburg Friday to hear charges from several directors of the Chamber of Commerce and the battlefield guides that Dr. J. Walter Coleman, battlefield superintendent, "failed to cooperate" with the guides.

The officials are: Major Thomas J. Allen, Richmond, Va., regional director of the National Park Service; Ronald P. Lee and Herbert E. Kahler, both of Washington, chief and assistant chief historian respectively.

The Chamber directors had asked Senators Martin and Duff and Congressman Lind to investigate the local park service office. Lind suggested to the Department of the Interior that a meeting of those concerned be held in Gettysburg. It has been scheduled for 7 o'clock Friday night at the Chamber offices.

District Meeting Of Synod Tuesday

The annual meeting of the Adams District of the Central Pennsylvania Synod will be held Tuesday evening at 7:30 o'clock in the Church of the Abiding Presence on the Lutheran Theological seminary campus.

Kenneth Sentz, a student at the seminary, will be the speaker. Devotions will be conducted by the Rev. Robert Sternat. The Rev. Robert C. Schiebel, Arendtsville, is secretary of the organization.

COMMUNION SUNDAY

Holy Communion will be observed at the Great Conewago Presbyterian church Sunday at 10:30 a.m. Sunday school will be at 9:30 a.m.

Three Are Convicted Of Giving Secrets To Reds

New York, March 29 (AP)—Two men and a woman were convicted today of passing wartime atomic secrets to Russia in the first atom spy trial in the United States.

The jury returned its verdict at 11 a.m. after seven hours and 18 minutes of deliberation.

The convicted defendants, who could receive the death penalty, are Julius Rosenberg, 34-year-old electrical engineer; his diminutive, dark-haired wife, Ethel, 35, and radar expert Morton Sobell, 33.

The prosecutor did not ask for the death penalty, however, during summation.

The jury had weighed the fate of three defendants for one hour and two minutes today after being locked up for the night at 12:40 this morning.

The trio was accused of relaying atom secrets to an international Red spy ring headed by Klaus Fuchs until his arrest in England early last year. The secrets, the government contended, included drawings of the atom bomb dropped on Nagasaki, Japan, in 1945.

The government's star witness in the sensational case was David Greenglass, brother of Ethel Rosenberg, Greenglass, who pleaded guilty to the espionage indictment, is awaiting sentence for his part of the plot.

The espionage indictment also named a fifth defendant, Anatoli A. Yakovlev, who is now believed to have fled to the sanctuary of Russia.

Greenglass is a former army technician who served at the atom bomb center at Los Alamos, New Mexico. He said the information he obtained there was turned over by him to the Rosenbergs for relay to the Russians.

Woman Is Grim

The jury of 11 men and one woman filed back into the courtroom at 10:58 a.m. A minute before, Federal Judge Irving R. Kauffman had mounted the bench.

A clerk called the names of each of the jurors, then asked if they had reached a verdict.

Vincent J. Lebonitche, foreman, replied in the affirmative, pronouncing the name of each defendant as he read out the verdicts.

Only Mrs. Rosenberg showed any sign of emotion as the verdicts were announced. She shook her head slightly, then stared grimly at the floor of the courtroom.

Sobell and Rosenberg sat calmly in their chairs, staring intently at the jurors.

R. C. DONATIONS IN LITTLESTOWN TOP '50 TOTAL

A total of \$1,081.10 turned in by Mrs. Robert T. Miller, Littlestown chairman and her workers, boosted the Adams county Red Cross fund drive nears its \$14,000 goal today.

The Littlestown report, which has gone well over the 1950 total of \$906 for that community, is not complete or final and there is "every indication" that Littlestown may reach its 1951 Red Cross goal of \$1,255, Fund Campaign Chairman Harry D. Ridinger said today.

Mr. Ridinger expressed his appreciation of the "splendid and untiring efforts" of Mrs. Miller, her co-chairmen, Mrs. Charles Rubenstein and Mrs. Jay Reindollar, and the 57 workers who conducted the campaign there. "The campaign throughout Adams county is going nicely due to just this kind of cooperation from district chairmen and their solicitors in all parts of the county," Mr. Ridinger said.

Seek Thorough Office

"The success of the districts already completed is the result of thorough coverage, aimed at giving each and every citizen of Adams county an opportunity to support the expanding services of the Red Cross. The returns so far show that the solicitors are making a real effort to do a thorough job. All of them are now being urged to make their final reports as soon as possible," the campaign chairman said.

Chapter officials have pointed out that the success of the current campaign will determine this chapter's participation in the blood program and continuation of the water safety program during the summer months. "The steadily increasing services to the men in the armed forces and their families must be met. We feel that the people of Adams county will not fail to do their share—and give now," Mrs. Albert Bachman, chapter chairman, said.

The Red Cross office reported today that a partial report from the York Springs district shows over \$400 on hand there.

G. H. S. SENIORS SCORE WITH 3-ACT COMEDY

A cast of 14 members of the senior class of Gettysburg high school pleased a good-sized audience at the high school building with their first presentation of the "three-act comedy," "Arsenic and Old Lace."

Well cast in their leading roles are Barbara Ketterman and Dorothy Wetzel as the maiden ladies, Abby and Martha Brewster, who indulged in poisonings as a charitable service. Bill Singley as their younger brother and Jack Thrush as the returning wayward brother, Jonathan Brewster, led the cast through a highly entertaining performance of the long-popular play by Joseph Kesselring.

Other good performances were (Continued on Page 2)

Canadians, Australians Make Sizable Korean Gains

Tokyo, March 29 (AP)—Australian Diggers and Canadian Princess Pats rolled up sizable gains today on the muddy central Korean front.

But elsewhere in the central and western sectors, the Communists fought their stiffest defensive action of weeks. They were dug in about four miles south of the Red Korean border in both areas.

The Red stand came as China rejected General MacArthur's bid to talk peace with the Communist commander in Korea.

MacArthur's headquarters told of Red troop and supply movements which indicated the Communists might be massing for a spring offensive timed to strike when April's seasonal rains bog down the Allied heavy weapons.

Field Streams

The British commonwealth forces racked up their gains in rugged country northwest of Kapyong. Aussie and Canadian troops forded rushing streams and scrambled over hills soggy with three days of rain.

Kapyong is 12 miles south of the border and 12 miles southwest of Chunchon on the road to Seoul.

A. P. Correspondent Nate Polowetzky reported the advances were significant. He said the distance could not be disclosed. He added: "Only the difficulties of the going determined the speed of their advance."

Field dispatches said the Chinese were moving south of the border in the Chunchon area.

The Reds poured heavy mortar fire into Allied patrols striking up the Pukhan and Sohyon river valleys between Chunchon and the border, eight miles away.

Between 7,000 and 10,000 Reds were reported dug in along the central front south of the border.

FIXES SPEED OF SPRAYERS

Orchardists planning to apply concentrate sprays to apple and peach trees should not drive their sprayers faster than 2½ miles an hour, Dean Asquith of the Arendtsville Fruit Laboratory, warned today.

Asquith said a check has shown that none of the concentrate sprayers in the county are geared to work well if driven faster than the 2½ miles per hour.

If rigs are spraying too few trees with a load, the answer is not to drive faster, but to replace some of the nozzles with smaller sizes. If the machine is spraying too many trees and the speed is not over 2½ miles per hour then larger nozzles are needed, Asquith said.

To successfully spray apple trees with concentrates at least 50 per cent of the spray should be directed at the top third of the tree, Asquith noted, "and to reach the top, the spray will do the most good if it goes up through the trees and not around it."

In concentrate spray, he added, each 100 gallon of 3X concentrate will treat 24 to 28 apple trees properly; for peaches 100 gallons is enough to cover 75 to 85 trees.

Held, pastor, performed the single ring ceremony.

Mrs. Virginia Stull, Gettysburg, and Elvin Fair, Gettysburg R. D., were the attendants.

The bride wore a white suit with navy accessories and wore a corsage of red carnations. Mrs. Stull wore a lavender dress with black accessories.

The church was decorated with mixed spring flowers.

Mr. Swope is employed at the Gettysburg Furniture factory.

The couple will reside in an apartment at 118 West High street.

Stough-Kerprich

Easter lilacs and palms provided a setting for the marriage Monday morning of Miss Veronica Ann Kerprich, daughter of Mr. and Mrs. J. J. Kerprich, Mt. Carmel, to Carl E. Stough, Jr., son of Mr. and Mrs. Carl Edward Stough, New Oxford.

The Rev. Leo J. Post officiated at the double ring ceremony and nuptial mass at 10:30 a.m. in St. Boniface church, Mt. Carmel. The Rev. T. Otto Borr was in the sanctuary for the service. Miss JoAnn Gaus played traditional wedding music and accompanied the soloist, Miss Helen Louise Riedy.

Miss Marie Kerprich was maid of honor for her sister. The bridesmaids included a sister of the bridegroom, Miss Rose Stough, New Oxford, Miss Marie Honecker and Miss Nancy Cosgrove, cousins of the bride, of Mt. Carmel.

Harold Stough, a brother of the bridegroom, was best man. Ushering were James Kerprich, a brother of the bride, George Weaver, New Oxford, and Paul Moore, New Cumberland.

Mr. and Mrs. Stough will reside in York where the bridegroom is employed by the Republic Carloading and Distributing company.

DaGross spoke at a banquet given by the Moose at the Moose home, York street, for high school and junior high athletes Wednesday night. Dr. Frey's talk was given before the Exchange club at Lincoln Logs Tuesday evening. It had first been announced to be broadcast Wednesday night.

NEW CAGE RULE LIKELY TO BE ADOPTED TODAY

Minneapolis, March 29 (AP)—Basketball's law makers are studying possible rule changes today that would increase the severity of the penalty for a personal foul and also would change the college game from 20-minute halves to four ten-minute quarters.

The Joint Rules committee, which establishes the code for the game, is made up of representatives from the NCAA, the High School Federation, AAU, YMCA and the Canadian basketball group.

A questionnaire sent out by the committee brought answers to show that college and AAU coaches, where the game is played in halves, preferred the quarter system which prevails in high schools, the pro ranks and in some YMCA contests. The rule is expected to be changed sometime today.

Action is not expected on increasing severity of the penalty for a personal foul although J. Mark Good, of Williamsport, Pa., chairman of the group said there was considerable sentiment for it. Two proposals were studied last year and those results now are being inspected by the committee.

Policy Approved
Some 10,000 high school games in Illinois were conducted the past season under a rule in which a team could not decline a free throw. It met with 100 per cent approval.

Almost as many games were played by New York high schools under a rule in which all personal fouls in the final three minutes netted the offended team two free throws that could not be declined. It met with general approval.

The committee has given the Big Seven conference permission to play some games next season under a rule under which all free throws must be attempted. If the try is unsuccessful, or if the last of two is missed, the ball would continue in play. If the free throws are made, the team which made them would take the ball out of bounds.

The National Basketball Coaches association concluded its annual convention late yesterday by asking the rules group not to change the code.

WEIGHT LIFTERS TOURNAMENT AT SHIPPENSBURG

Shippensburg, March 29 — Sports fans of Central Pennsylvania will witness a display of male physique and weightlifting virtually unfamiliar to most of them when they attend the Middle Atlantic Amateur Athletic association weightlifting tournament at Shippensburg State Teachers' college alumni gymnasium Saturday night, April 7.

Contestants from New Jersey, Delaware and that part of Pennsylvania east of Bedford will vie for weightlifting honors at the Middle Atlantic meet. A preliminary physique contest to determine this year's "Mr. Middle Atlantic" will also be staged.

Top-notch performers are represented in the Middle Atlantic division of the A. A. U. Last year's "Mr. Middle Atlantic" was Irvin Kozewski, of Camden, N. J., who placed high in the national contest for the "Mr. America" title.

Varied Program
The entire card includes seven divisions of weightlifting from the 123-pound class up to and including heavyweights of 198 pounds or more. Besides the physique contest, other forms of deviating entertainment are being planned by the program committee.

Miss Kitty Lou Myers, Shippensburg, a freshman at SSTC and 1950 graduate of Shippensburg high school, who was selected "Miss Cumberland County" in the beauty queen contest at the Carlisle fair last year, will serve as Queen of the Middle Atlantic Senior A. A. U. Weightlifting Tournament. She will present various trophies and awards to the individual winners.

The tournament is being sponsored by Oscar Hykes Post 223 of the American Legion under the auspices of the Shippensburg Chamber of Commerce. Admission price to the event is \$1. Starting time is 7 p.m.

Training Camp Briefs

West Palm Beach, Fla., March 29 (AP)—Jimmie Dykes, manager of the Philadelphia Athletics, is planning to give his rookies a chance tonight against the West Palm Beach Indians of the Florida International league.

Arnold Portocarrero and lefty Joe Murphy, both members of the West Palm Beach team last year, are slated to share mound duties for the A's.

Clearwater, Fla., March 29 (AP)—Outfielder Dick Sisler will be lost to the Philadelphia Phillies for several days because of a twisted left knee. Sisler injured his knee sliding into second base in the fifth inning of yesterday's game with the Boston Braves.

The Phils and the Braves wind up their spring exhibition schedule against each other at Bradenton today. The Braves won yesterday to put the spring series on an even footing, two victories each. The score was 3-2. It was the 10th one-run game in which the Phils have been involved this spring. They won five.

Tucson, Ariz., March 29 (AP)—Orestes Minoso has been a batting phenomenon with the Cleveland Indians this spring, but the question of where to play him loomed bigger than ever today.

Minoso wants to play third base, but manager Al Lopez already has a good third baseman in Al Rosen. Because of Minoso's hitting ability, Lopez had hoped to convert him into an outfielder, where he could be used to advantage.

His outfield play against the St. Louis Browns yesterday, however, left the manager wondering. One ball that should have been an out went for a double. A single went for a double and he committed one bad error. And to top it off, after hitting safely in 15 consecutive games, he failed to get a hit in four trips to the plate.

Phoenix, Ariz., March 29 (AP)—Mickey Mantle, the New York Yankees prize rookie, is hitting at a .434 clip in spring training.

Mickey got a single and double, and drove in three runs, but the Yankees were beaten by the Chicago White Sox yesterday, 10-8. Earlier, Mantle signed a Kansas City Blues contract. This was merely a formal gesture, as the 19-year-old youngster will remain with the varsity.

Miami, March 29 (AP)—Roy Campanella, Brooklyn Dodgers catcher, probably will be out of action 10 days to two weeks because of his injured thumb. "He could get back a bit sooner if there was any urgency but there's no sense taking chances now," said trainer Harold Wendler.

St. Petersburg, Fla., March 29 (AP)—Manager Leo Durocher of the New York Giants apparently feels satisfied that Bobby Thomson has completely shaken his 1950 batting slump.

Thomson played every inning of the first 15 Giants exhibition games and is hitting .333. So Durocher gave him the day off yesterday, as the Giants beat the St. Louis Cardinals, 4-1. Whitney Lockman shifted over to Thomson's place in center-field and walloped four hits.

CANARIES AND FARRELL GAIN PIAA TRIUMPHS

Harrisburg, March 29 (AP)—Allentown's Canaries and Farrell's Steelers today are only one step away from the 1951 Pennsylvania Public School Class A Basketball championship.

The two polished quintets hurdled the last obstacle before the state title game as they won regional finals last night. Allentown pulled the surprise of the night by swamping Swoyersville, 68-54, in the East. Farrell barely defeated Pittsburgh Westinghouse, 55-54, in the West.

Allentown and Farrell meet for the state title Saturday night at the University of Pennsylvania Palestra in Philadelphia.

The key to Allentown's one-sided victory was stopping Swoyersville's six-foot, five-inch center, Joe Holup. Although the lanky Holup tallied 17 points, the Canaries swarmed over him continuously and allowed him only 13 shots at the basket.

Farrell's thrilling victory—its second one-point decision of the playoffs—was due largely to the sharp shooting of bespectacled Julius McCoy. The six-foot, two-inch forward dumped in the winning goal in the last five seconds and collected 29 points for his night's work.

Pressing Attack
Allentown's pressing attack so rattled the previously high-scoring Sailors of Swoyersville that the District 2 champions never got close to the lead after the first few minutes. Bill Snyder was Allentown's high scorer with 22 points, followed by Leroy Katz with 17.

It was entirely a team victory as Coach Milo Seward's strategy of keeping Snyder and six-foot, three-inch Dale Smith practically on top of Holup paid dividends.

Farrell, accustomed to scoring only when needed, had to stave off a last-period Westinghouse rally to record the Steelers' second victory of the season. Farrell opened against the Pittsburgh school last December and won, 45-43.

Six-foot, five-inch Ed Fleming led the Westinghouse bulldog attack with 23 points. Forward Maurice Stokes tallied 17 in the near-successful rally. Both teams left for Philadelphia today. Farrell was to make the long haul by bus, staying tonight in Lancaster. Both will work out tomorrow morning and afternoon in Philadelphia.

Gov. John S. Fine attended his second straight playoff last night as he occupied a front-row seat at the Allentown-Swoyersville game. Prior to the tilt he presented trophies to Fredonia's Class C state champions and Mt. Joy's Eastern Class C winners.

The Class B state championship will be settled tomorrow night at Avalon, the Western winner, meets Kutztown's defending state titlist at the Pitt pavilion in Pittsburgh.

Newport, R. I., March 29 (AP)—Lancaster (Pa.) Catholic high meets St. Peter's Prep, Jersey City, N. J., today in the 14th Eastern States Catholic Invitational Interscholastic Basketball tournament.

The opening game is between John Baptist high school of Bangor, Me., and All Hallows high of New York city. Other pairings match St. John's college of Washington, D. C., and host De LaSalle academy of Newport, and St. Elmon Stock high of New York city with Catholic high of Camden, N. J. Semifinals will be played tomorrow and finals Saturday.

Indianapolis, March 29 (AP)—George Fonder of Lansdale, Pa., was one of two drivers crowded out of the 1950 starting lineup who have been again nominated for the 35th 500-mile race at the Indianapolis motor speedway May 30.

Funder yesterday was named again to drive a six-cylinder super-charged town, Pa. He qualified his car at nearly 128 mph to get into the lineup. The Brady car is the one in which the late George Robson won the 1946 Memorial Day race.

Sunbury, Pa., March 29 (AP)—Sunbury's Mercuries, regular season Eastern Professional Basketball league champions, need only one more victory today to qualify for the finals in the President's Cup playoff series. The Mercuries clipped Williamsport's Billies for the second car entered by Ray Brady of Norris-straight time last night at Williamsport 77-66.

Sports Roundup

By HUGH FULLERTON, JR.

New York, March 29 (AP)—An item from Kentucky derby tub-thumper Brownie Leach says: "The largest number of Federal legislators to attend the derby in many years is expected to see the 1951 running."

The late Col. Matt Winn, you remember, used to say that just before World War II there were enough Senators at the derby to assemble a quorum. . . . Apparently the new management is out to beat that record. . . . And what could be more natural than for the lawmakers to want to learn first-hand about the stuff their committee has been investigating? . . . If "bet" wasn't such a horrid word, we'd offer a wager that none of them could get the result to his home town before the local bookie heard it. . . . In Rhode Island the House of Representatives has voted to hike the mutual take on racing from 11 to 13 1/2 per cent. That's just like giving the bookies a cost of living increase.

TANKS, PALS
Bill Henderson, left tackle on Lehigh's undefeated football team last fall, recently was elected captain of the 1952 swimming team. . . . The announcement at the team banquet came as a complete surprise to Bill, who stumbled to his feet with an amazed "Oh!" . . . And from the background a couple of his tank teammates yelled: "Now you'll have to quit football and get down to work."

SHORTS AND SHELLS
The recent Indiana High School Basketball tournament drew 1,222, 587 spectators and a \$992,992.85 gross gate in spite of complete radio coverage at all major centers and television of Indianapolis and Bloomington games. . . . After seeing Bill Hoelt, Detroit's "no bonus baby" pitcher in the grapefruit league, Leo Durocher raved: "He might be another Feller—maybe better."

WHO TALKS TICKETS?
Thirty-three year old Zeke Bekaza, who achieved some fame last year by pitching, catching, playing at first base, third or in the outfield (not all at once, of course) for Centralia, Ill., in the Mississippi-Ohio Valley league is back on the job this spring. . . . Besides being a 300 hit-ter and second-best home run swatter in the circuit, Zeke is general manager, business manager and field manager and sells ads for the park fence and scorecards.

HURT BY FLYING BAT
Los Angeles, March 29 (AP)—Hit by a flying baseball bat, Don Herman, son of former major league slugger Babe Herman, suffered a broken jaw and the loss of eight teeth yesterday. Herman plays outfield for the University of Southern California. His father is a coach with the Pittsburgh Pirates.

Best three out of five set on Tuesday night 84-77 in Sunbury. The teams play here tomorrow night in game No. 3. Winner of the series will play York—which defeated Lancaster—in the finale next week.

Tehran, March 29 (AP)—The Penn State soccer team, which has split in two games played in Iran, meets the Tehran soccer club here Friday. Large crowds turned out Sunday when the Isfahan soccer team defeated Penn State, 2-0; and Tuesday when the Americans won at Shiraz, 3-0.

In Shiraz, the American team got its first score when a member of the home club shot into his own goal by mistake. The second goal was made by Roland Coleman of St. Louis, and the third by Harold Irvin of Kenneth Square, Pa.

Bullets Permitted Use Of Freshmen

Effective as of Wednesday, Gettysburg college will be permitted to use freshmen in varsity sports.

Prof. C. E. Bilheimer, athletic director, today reported he received notification from Asa S. Bushnell, commissioner of the Eastern Collegiate Athletic conference, that Gettysburg was permitted the use of freshmen under a ruling adopted March 13 at a special meeting in New York of the conference. The ruling passed permits colleges with male enrollments of less than 1,000, or an enrollment of less than 650 male and female students in the upper three classes, to use freshmen.

Under the ruling Bullet frosh will be permitted to take part in all varsity spring sports events.

Kidney Slow-Down May Bring Restless Nights

When kidney function slows down, many folks complain of nagging backache, headaches, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 60 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

in every way possible. He said that the association handles the requisitions of 10,000 stations in the state twice a year. Any station suspended will serve the full penalty of suspension, he said, and all policies established on inspections in the past, will be continued. A new book of regulations will be issued, to include all new supplements and approvals on new equipment.

Mr. Parkinson answered questions asked by the dealers present. It was noted that an average of 45 minutes is required to inspect a car. A general discussion on the price charged for inspection was held and Mr. Parkinson said that there is nothing in the law which stipulates the amount to be charged. No group action was taken on the charging policy; it was left to the individual inspection station operator.

Pic. Carl F. Renz, of the Cham-

bersburg state police substation, inspection officer for this district, was present and spoke briefly. He announced that local inspection meetings will be held in April in preparation for the new inspection period which starts May 1.

Entertainment following the meeting included a vaudeville show with Frankie Schlutz as master of ceremonies, presenting a variety of songs, dances and comedy acts. A buffet lunch was served.

Today's Talk

By GEORGE MATTHEW ADAMS

TO BE MISUNDERSTOOD

It is to be understood that to taste
the bitterness of one of life's saddest
experiences. We crave understand-
ing and the love and respect that
go with it. Emerson once said that
"to be great is to be misunderstood."
I am of the opinion, however, that
most people would prefer less great-
ness and less misunderstanding!

In the humble everyday life of us
all, nevertheless, we must expect to
be misunderstood. Who ever has
been honestly understood? Christ was
betrayed and crucified. There were
those who could not understand
Him, nor His great message, though
it was one of love to all mankind.
And so was Lincoln misunderstood,
as well as Gladstone, Whitman,
John Brown, Robert E. Lee, and a
host of the world's great. Whether
in the humble or of high estate the
human heart is a secret sanctuary
into which but a few are ever invited.

The machinery of the mind is
made of more delicate material than
anything this is the product of it.
And no two minds in existence work
exactly the same, so that it is not
strange we misunderstand and are
in turn misunderstood. It's an un-
happy experience, to put it mildly,
and for our own peace of mind we
should try and understand others
as little as possible, for each of
us wish so greatly always to be un-
derstood.

Constructed as the mind is, and
with a God-given freedom of
thought, it is natural that much of
this thinking of ours should invite
misunderstanding, but we should try
to take it in good part—often in
silence, for it is this that proves
greatness. In Shakespeare's "Ham-
let" there is a good line: "Give it an
understanding, but no tongue."

Throughout life we must bear our
own cross, no matter how heavy it
is at times. Others have their own
to carry. Our task should be to do
so with courage and with a hopeful
spirit, and without complaint. If we
weren't human we would not be
misunderstood at any time! Amiel,
in his Journal, wrote this: "What we
do not understand we have not the
right to judge."

Tomorrow Mr. Adams will talk on
the subject: "Diaries."

DECLARES GOOD OLD DAYS WERE MERELY A MYTH

Philadelphia, March 29 (AP)—Have
you ever dreamed what a relief it
would be to escape from today's
tensions to the "good old days" of
history?

If you have, you can stop kidding
yourself. For the "good old days"
are myth, not history. Things—and
people—really have changed only
on the surface in nearly 4,000 years.

The authority behind this shatter-
ing of widespread illusions about a
rosier past is Samuel Noah Kramer,
a University of Pennsylvania pro-
fessor whose specialty is studying
the ancients, especially the Assy-
rians. He spoke at the annual meet-
ing of the American Oriental so-
ciety yesterday.

Kramer has just finished trans-
lating documents inscribed 1,700
years before the birth of Christ.
Modern idiom apart, the documents
have a surprising 20th century
flavor, reflecting a variety of senti-
ment but little altered over the cen-
turies.

Worried About Taxes

For example, the people of anti-
quity worried plenty about their
equivalent of March 15. Kramer
quoted:

"You can have a Lord, you can have
a King,
"But the man to fear is the tax
collector."

As for war, they knew it well, and
considered it futile:
"You go and carry off the enemy's
land;
"The enemy comes and carries off
your land."

The documents Kramer translated
were found by an archaeological ex-
pedition from the university earlier
this year. The ideas were expressed
in cuneiform, an odd wedge-shaped
kind of drawing, on stone tablets.

The language used was Sumerian,

partment, at a testimonial banquet
in his honor at the Blue Parrot tea
room, Tuesday evening.
The "Foamite Six," comprising
Percy Miller, Harry Culp, C. E.
Woodward, William Timmins, A. E.
Hutchinson and Dorsey Rebert, sang
a number of selections.

Learned About Women

The Assyrians learned early about
women. They wrote:
"A restless woman in the house
"Adds ache to pain."
But marriage and family life were
esteemed:

"Who has no wife, who has no
children,
"Has no joy in life."
As for high living:
"Hand and hand, a man's house is
built;
"Stomach and stomach, a man's
house is destroyed."

The Sumerians, like many persons
in much later eras, thought there
was little hope of changing some
people; for instance:

"You are put in water, the water
begins to stink;
"You are put in a garden, the fruit
beings to rot."

Then there is this bit of philosophy,
Christian in spirit:

"Who builds like a Lord, lives like
a slave;
"Who builds like a slave, lives like
a Lord."

STRIFE ROCKS AFL SESSIONS

York, Pa., March 29 (AP)—Delegates
to the Pennsylvania Federation of
Labor convention attended final ses-
sions today with the verbal attacks
of their president against another
top leader ringing in their ears.

For two days in a row, James L.
McDevitt, president of the state
AFL, has unleashed a trident
against Leo A. Abernathy, head of
the Billers and Bill Posters union—
smallest union in the AFL.

The outbreaks have caused most
of the excitement so far for the
1,500 delegates attending the three-
day convention.

McDevitt accused Abernathy of
backing Republican political candi-
dates opposed by the AFL and be-

littling labor leaders "to prove to

counted upon to carry out orders

the trade union movement."

Abernathy is also a member of the
state Labor Relations board. He did
not attend the convention.

At his home in Pittsburgh, Aber-
nathy said he would like to study
the full text of McDevitt's remarks
before making a formal reply. But
he added: "If McDevitt is attempt-
ing to say that I am politically am-
bitious, I am wondering if he re-
members he once held a political
office as a member of the Unem-
ployment Compensation commission
under Governor Earle, our last
Democratic governor? I wonder if
he is still paying off on that?"

GROCCERS MUST FIX CEILINGS ON FOODS APRIL 30

Washington, March 29 (AP)—The nation's retail and wholesale grocers today set about shifting a huge volume of food items—costing the public \$20,000,000,000 a year—to a new method of price controls.

They are under government orders to complete the transfer between April 5 and April 30.

The Office of Price Stabilization (OPS) announced three regulations last night, putting about 60 per cent of all foods under fixed "markup" percentages which the agency said are those in effect before the Korean outbreak. A grocer adds the "markup" percentage to his cost in order to determine his ceiling price.

Here is what the new system means to the country:

First, it means a great many up and down movements in food prices, depending on the store, the locality, and the kind of food. Price Director Michael V. DiSalle said "We are sure that there will be more decreases than increases." That was cheerful news for the housewife, but DiSalle added that "a large part" of the net reduction in prices may be cancelled out if farm prices continue to move up.

Gauged By Farm Prices
Under present law, the wholesale and retail prices of most food products must be allowed to rise when necessary to reflect higher farm prices. DiSalle, facing reporters at a news conference, was asked whether he intends to recommend a change in the law to permit tighter food controls, and he replied, "we're not ready to answer that."

Second, the new system means that DiSalle's OPS now has paved the way for definite dollars and cents ceiling prices, figured by the district OPS offices and posted on big charts in the stores.

OPS officials said this was "the single most important aspect" of last night's action.

They said this system of "community pricing" may be reached in about six months.

Meantime, officials said the new "markup" or "margin" regulations will keep food prices under effective controls for the next few months—except for changes reflecting farm price fluctuations.

Follow Old Pattern
The OPS is following the same pattern that the wartime OPA followed—margin controls and then community prices—but the OPS, profiting by OPA experience, is considerably ahead of the OPA in its timetable.

April 30 is the deadline for grocers to complete their changeover. Any time after April 5, however, a grocer may put each new ceiling price into effect as soon as he has computed it. After April 30, each retail grocer must re-figure his ceiling prices every Monday—that is on any items for which he had a different cost from the cost on which his existing ceiling was figured.

Under a previous regulation, April 30 is also the deadline for retailers of clothing and house furnishings to change to a new system of margin controls. The main difference is that those retailers must figure their own markup percentages by preparing "pricing charts," whereas the grocers have their percentages fixed by the government on 38 different food categories.

Others Affected
The three regulations cover canned goods, baby foods, flour, cocoa, coffee, tea, breakfast cereals, shortening, frozen fruits and vegetables, mayonnaise, rice, margarine, dog and cat foods, crackers, jams and jellies, syrups, and many other items.

They do not cover fresh meats, fresh fruits, fresh vegetables, sugar, milk, bread, ice cream, candy, soft drinks, or alcoholic beverages.

Many of these things—meats for example—will be covered by regulation of their own.

Youth Spends \$200 To Join U. S. Navy

Dayton, O., March 29 (AP)—It cost Robert E. Pennington more than \$200 to join the navy, but he made it. The 20-year-old youth first tried to enlist last September. He passed the general qualification test and a special electronics test easily.

But doctors discovered varicose veins in his left leg. They rejected him. Pennington got a job as a carpenter, and saved his money for an operation.

The operation, which cost more than \$200, was a success. The navy accepted him. He leaves for the Naval Training Station at Great Lakes, Ill., next week.

Oldest Member Of Legion Is 90 Today

Augusta, Ill., March 29 (AP)—John E. (Dad) Newcomb, who says he is the oldest living member of the American Legion, observed his 90th birthday today.

He is a veteran of the Spanish-American war and served overseas in World War I.

When the United States entered World War II the 80-year-old Newcomb volunteered his services, but the army gratefully declined. Instead, he helped with scrap drives and war bond sales at home.

HERE'S HOW A&P'S
"Low-Price,
Low-Profit"

Policy Works to Your Advantage:

1. A&P'S LOW PROFIT OF ONLY 1¢ ON YOUR DOLLAR makes your money go further.
2. A&P'S STOREWIDE LOW PRICES ON HUNDREDS OF ITEMS EVERY DAY (instead of just a few "week-end specials") makes it easy to save on your total food bill any day you shop.
3. A&P'S GUARANTEE OF ALL ADVERTISED PRICES FOR A FULL WEEK protects you against increases in the market prices of items which are not subject to price ceilings.
4. A&P'S SYSTEM OF MARKING PRICES ON ALL ITEMS... as well as on the shelves... and giving you an itemized cash register slip helps you see what you're spending as you shop and check your purchases at home.
5. A&P'S MONEY-BACK GUARANTEE OF SATISFACTION enables you to buy with complete confidence that your money will be cheerfully refunded should any purchase fail to please you.

All prices shown here (including those of items not subject to price ceilings), are guaranteed—Thurs. Mar. 29th through Wed. Apr. 4th.

HERE'S WHY IT'S TO
YOUR ADVANTAGE TO BUY

"Super-Right" Meats

Regardless of price, no meats are good values unless they give you your money's worth of good eating. And to do that they must be carefully selected for tenderness, juiciness and fine flavor and properly trimmed to remove excess waste before being weighed. That's exactly how "Super-Right" meats are selected and trimmed. What's more, they're priced just as low as market costs permit and sold with a money-back guarantee of satisfaction. When you consider all these advantages we think you'll agree that it pays to buy meats at your A&P!

JOHN R. BLOOM
IS COMMANDER
OF VFW POST

John R. Bloom was elected commander of the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, at the semi-monthly meeting of the post Tuesday evening at the post home. Other officers elected were: Senior vice commander, Kenneth Sparver; junior vice commander, Earl Weaver; quartermaster, Gerald W. Daley; chaplain, Dewey Baumgardner, and trustee for 16 months, Burnell Keagy.

The meeting was in charge of Retiring Commander Burnell Keagy. Mr. Bloom reported for the Memorial Day committee. He said: "Plans are progressing for the program and parade for that day. The veterans' monument is expected to arrive on April 1, and be erected on the site of the recently moved honor roll on May 1." The monument will be a memorial to all men of the community who participated in the past wars, the dedication of the monument, and the parade will take place on Sunday afternoon, May 27, beginning at 2:30 o'clock.

One new member was received on Tuesday evening, Bernard Staub. The quarterly meeting of the VFW district will be held on Sunday afternoon at the Charles Nitterhouse Post home in Chambersburg. Transportation will be provided at 12:30 p.m., leaving from the local post home. The recently elected officers will be installed at the next meeting of the post to be held Tuesday, April 10.

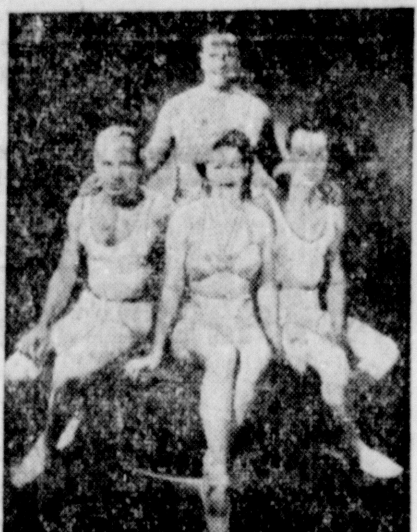

Mrs. Donald C. Arbogast, custodian of the local branch of the Adams County Free Library, reported that 23 adult books and three junior books had been loaned from the library during the past month.

A public "509" card party, sponsored by Sylvania Lodge No. 613, In-

dependent Order of Odd Fellows, will be held Friday evening at 8 o'clock in the lodge hall. Prizes will be awarded and refreshments will be on sale by the lodge. The affair is for the benefit of the Littlestown high school band uniform fund. The members of the card and party committee, comprised of Stanley M. Staub, chairman, Roscoe W. Rittase, Ernest R. Sentz, and George W. Strevig, and those comprising the refreshment committee, Edward F. Hawk, chairman, Melvin A. Miller, Charles Bupp, William Clouser and Harry T. Harner, are requested to meet at the lodge hall at 6 o'clock Friday evening.

Society Meets
Mrs. Carl H. Baumgardner, South Queen street, was hostess to the Abigail Kammerer Missionary society of St. Paul's Lutheran church, for the March meeting on Tuesday evening. The meeting opened with a song by the group, with Mrs. Edwin W. Elder, Jr., as piano accompanist. Prayer was offered by Mrs. Elder, and the scripture was read by Mrs. H. Dean Stover. Mrs. Elder led the discussion of the topic, "In Deep Humility," and a second topic, "Letters from Argentina," was discussed for the group by Mrs. Stover. Members of the society giving readings concerning the topics were Mrs. George Schaeffer, Mrs. L. Robert Snyder, Mrs. Crane Manchey, Miss Susan Baumgardner, Mrs. Mahlon Bucher, Mrs. Charles E. Rabenstein, Mrs. Carl H. Baumgardner, Mrs. Paul Mayers, Mrs. Milton Harner, Mrs. David S. Kammerer, Mrs. Charles E. Ritter and Mrs. John H. Riley. The discussion closed with the group repeating the Lord's Prayer and the missionary benediction.

A piano solo, "Cathedral Reverie," was played by Miss Susan Baumgardner. The business session was then held with the president, Mrs. Mahlon Bucher, in charge. It was announced that the annual Adams county conference of Women's Missionary societies, will be held April 10, at the Lutheran church in Biglerville. The conference sessions will be held at 1:30 and 7:30 p.m., and dinner at 5:45 p.m. "I Shall Hear No Evil" will be the theme of the sessions. Mrs. Bucher is the conference secretary, and reservations to

America's latest flying sensation, The Otaris, open up a new vista in the field of flying return acts. Not only is their rigging considerably higher than customary for this type of attraction, but they have added the novelty of a fourth upright as against the usual three, making possible the employment of flyers on both sides of the catcher so that flights and catches can be made from opposite directions. Other sensational stunts abound in this attraction which will be seen at the fourth annual Zembo Temple's Hamid-Morton circus, which opens a week's engagement at the Farm Show arena in Harrisburg Monday night, April 2.

L-Town 2nd and Last Add attend may be made with her. The tickets are \$1.25 a piece and must be obtained from Mrs. Bucher by Sunday, April 1.

Following the session a social period was held. The birthdays of the following members were noted: Mrs. David S. Kammerer, Mrs. John H. Riley, Mrs. Edwin W. Elder, Jr., Mrs. Charles E. Rabenstein, and Mrs. Robert B. Wareheim. The prizes package was presented by Mrs. Mil-

ton Harner and received by Mrs. H. Dean Stover. A game was played and the prize awarded to Mrs. Charles E. Ritter. A white elephant party was held, after which refreshments were served to the group by the hostess. The next meeting of the society will be held Tuesday, April 24, at the home of Mrs. James H. Spalding, Hanover R. 4. Mrs. Charles E. Rabenstein will be the leader for the topic at the April meeting.

The Court of Honor for the Littlestown Boy Scout Troop No. 84 will be held this evening, at 7:30 o'clock, in the cafeteria of the Littlestown Junior-Senior high school. Awards for advancements will be given, and movies of local scouts will be shown. Parents and friends are invited to attend. The first aid test will be given in Gettysburg on Friday evening. First aid was the theme for the meetings of Troop No. 84, during the month of March.

The Women's Missionary society of St. Luke's Union church, near White Hall, will be held Friday evening, at 7:30 o'clock, at the church. Mrs. Hazel Flickinger will be the leader for the March meeting.

Rev. and Mrs. John C. Brumbach,

daughter Audrey, Bangor, were Tuesday evening dinner guests at the home of Mr. and Mrs. A. C. Garland, East King street.

Mr. and Mrs. Paul E. Hiltbrich, East King street, spent the Easter week-end at the home of their son and daughter-in-law, Mr. and Mrs. Paul E. Hiltbrich, Jr., daughters, Barbara Ann and Linda, Havelock, N. C.

Mr. and Mrs. Wilbur Reck, East Myrtle street, held a surprise dinner in honor of the birthday anniversary of their daughter, Miss Jeanne Reck, at their home on Sunday evening. Those present were the Misses E. Lorraine Myers, Joann Wehler, Mildred Appler, Dorothy Appler, Bernice Currens, all of town, Mrs. A. E. Martin, Shippensburg, and the guest of honor and her parents. Following the meal a social evening was spent.

Mrs. Howard Blocher, West King street, fell on Monday afternoon, in the yard back of her home, and fractured her left leg. She was immediately removed to the Warner hospital, Gettysburg, where she is now improving satisfactorily.

BAT TRIES TO STEAL OPERA

Baltimore, March 29 (AP)—The Metropolitan Opera company presented Johann Strauss' "Fledermaus" here last night—but the show was almost stolen by a real one.

"Minor Key" is the scene stealing bat's name. He's an old inhabitant of the Lyric theater.

The erratic bat zoomed from the rafters during an aria by Prima Donna Jar Mills Novotna and delighted an audience of 2,000 persons with a series of fancy spins and Immelman turns.

Some sections applauded Minor Key's enthusiastic efforts. And the stirring orchestral music of Conductor Eugene Ormandy could scarcely be heard.

Theater people said the bat has

Brodson Ready To Give Name In Probe

Chicago, March 29 (AP)—A Milwaukee sports gambler says he will tell Big Ten Commissioner K. L. (Tug) Wilson the name of a western conference basketball official he accuses of "irregularities," and back up the charge with "iron-clad proof."

The admitted gambler is Sidney A. Brodson. He testified before the Kefauver Crime committee in Washington, D. C., last Saturday about

been in the rafters for the past five or six years and all efforts to capture him have been futile. Minor Key is regarded as a fast bat on the wing.

This was his first public appearance since he startled an audience at a symphony concert a year ago. La Novotna maintained her poise last night.

As the bat dipped about her head in his daffy flight, she only smiled a little and waved at him with a long cigarette holder.

his, and other gamblers' suspicions of a Big Ten official.

Wilson said he is willing to meet Brodson in Chicago to discuss the allegation. He has asked the Crime committee for a copy of Brodson's testimony made under oath to review before the meeting.

"The fact that the 'suspicious' of an admitted gambler have been given wide attention and distribution is very regrettable," said Wilson in a prepared statement, "I, as commissioner, am determined to investigate the entire matter as rapidly and thoroughly as possible and I am already in contact with the Senate committee."

SINUS CATARRH SUFFERERS

FIND CURE FOR MISERY DUE TO NASAL CONGESTION. SUPPLY RUSHED HERE! Relief at last from torture of sinus catarrh, and hay fever due to nasal congestion is seen today in reports of success with a formula which has the power to reduce nasal congestion. Men and women with agonizing sinus headaches, clogged nostrils, earache, howling and sneezing misery tell of blessed relief after using it. FARMING UNDER RED FLAG TOUGH IN NORTH KOREA

By SIGRID ARNE
Washington, March 29 (AP)—Out of Korea has come the first official report of how Communists treat farmers. It is written by Robert A. Kinney, an officer for the Economic Cooperation administration who followed United Nations troops into North Korea last summer.

He talked to North Korean farmers who had lived under both the Japanese occupation and the Communist government which started in 1945.

He also talked to South Korean farmers who lived under the American occupation and then under the government of the Republic of South Korea.

Took Away "Use Rights"
Washington has had reports on how the Soviets treat their own farmers and farmers in the middle European satellite nations. But those reports were always sneaked out by refugees. Never before has a U.S. government official had the chance to walk into former Communist territory and actually talk to the men who had tried to till the land under the Red flag.

Kinney found that the Reds made a hurried gesture in 1945 to curry political favor with the North Koreans. They redistributed the land— took it from absentee landlords and gave it to tenants—in 25 days.

That lasted until 1948, when the Reds suddenly redistributed the land again, giving all the best to Communist party favorites. It seemed the Communists had only given farmers "use rights" rather than title to the land. When they wanted to throw a farmer off his land they simply took away his "use rights."

Kinney says the farmers realized that the system made them "merely tenants of the state and reduced them to the status of slaves."

Tax Decreed
In 1947 the Communists decreed a "production tax in kind." Farmers were forced to turn in 27 per cent of their rice and 23 per cent of their other crops. The farmers thought this was high enough, but they found in some cases they actually had to pay the new Red government as much as 50 per cent of what they produced.

The percentage tax was not levied on what they actually produced but on what their Red masters thought they ought to produce.

The North Korean farmers were astounded to learn of the land reform program which had been put into effect in South Korea under the American occupation and the Republic of South Korea.

In South Korea farmers were given the chance to get title to their land in five years in return for a third of their major crop for five years. Under that program 60 per cent of the South Korean farmers had gained free title to their land, Kinney reports, and 40 per cent were on the road when the Communist invasion disrupted the program.

CRITICISM OF M'ARTHUR AIDS KREMLIN HEADS

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)
The head men in Moscow may be rocking with belly laughs over the complaints among the democracies about the political and military conduct of the Korean war.

Such dissatisfaction perhaps is worth more to the Muscovites than legions on the battlefield. It not only may help them in the military sense but it could provide propaganda for the spread of communism.

Rather typical of recent criticism was that voiced yesterday by Prime Minister Nehru of India in Parliament. He characterized General Douglas MacArthur's recent peace talk offer to the North Korean and Chinese Reds as an "extraordinary development fraught with grave consequences for all countries concerned."

Nehru Is Scornful
"Certainly no field commander is going to lay down the policies of the government of India," declared Nehru. "Political policies are laid down by governments, not commanders in the field."

The prime minister had in mind MacArthur's recent statement that he was ready to confer with the enemy commander "to find any military means whereby the realization of the political objectives of the United Nations in Korea x x x might be accomplished without further bloodshed."

One can't dismiss lightly such a statement coming from the head of an Asiatic nation of 300,000,000 people. His views are bound to sway a host of folk, especially since his influence extends beyond the borders of his own country.

Would Aid Enemy
The London Daily Express sums the situation up in an editorial declaring: "It is time the hounding of MacArthur was brought to an end." The Express says the real quarrel between the general and his critics is over their proposal that he should halt at the 38th Parallel. He maintains that isn't sensible as a military proposition.

"A halt on the parallel," declares

Way Cleared For Delaware Bridges

Trenton, N. J., March 29 (AP)—The way appeared to be cleared today for the construction of three new crossings of the Delaware river.

The crossings would be:

1. A toll bridge now under construction between Trenton and Morrisville, Pa.
2. A high-level bridge in the vicinity of Bordentown.
3. A high-level bridge or tunnel between Camden and Philadelphia.

Governor Driscoll told a news conference yesterday representatives of Pennsylvania and New Jersey reached "substantial agreement in principle" on the crossings and on areas of control. He said legislation was being prepared to authorize the new crossings and to permit the New Jersey Turnpike Authority to build a connecting link between its superhighway and the Bordentown bridge.

Would License Practical Nurses

Harrisburg, March 29 (AP)—A bill requiring the licensing of practical nurses in Pennsylvania was under study in the House today.

The measure, introduced by Reps. Lewis Mintess and Edwin F. Thompson, both Philadelphia Republicans, would put regulatory control of the nurses under the state board of examiners for the registration of nurses.

The House also received a bill yesterday which would authorize local communities to make unemployed delinquent tax payers work for the community to pay off back taxes. The delinquent taxpayers would be paid the normal wage rate for their services. Their total earnings would be withheld and credited to their debt to the community.

the Express" would simply mean giving gratuitous advantage to the enemy which might be paid for with Allied lives. In a military sense the parallel does not exist, but in the political field it looms very large indeed. Our leaders cannot decide where one begins and the other ends. This is why political direction of the Korean war has been and still is deplorable."

This defense of MacArthur comes from a newspaper in a country which has been very critical of the commander. There has been considerable feeling there that the general is too much of a one man band and has exceeded his prerogatives.

Who decides what his prerogatives are? Well, he commands a United Nations army which fights under the U. N. flag. However, the peace organization has divested itself of responsibility by declaring that the United States is its agent to maintain a unified command. So it's up to Washington.

TAKES WRONG BUS TO SCHOOL

Tempe City, Calif., March 29 (AP)—Danny Ellis kissed his mother goodbye and went to a nearby corner to catch the school bus.

Several hours later Mrs. Hilda Ellis answered the telephone to learn that the Portero elementary school wanted to know why six-year-old Danny wasn't attending classes.

That was the beginning of fear, the start of a frantic search. Police, neighbors, bus drivers and schoolchildren aided in the hunt.

Late Tuesday the telephone rang again. Did Mrs. Ellis have a small son, the voice wanted to know. Did she? For an instant the mother was speechless with fear.

"Yes, oh, yes," she shouted. "Where is he? Is he all right?"

"Sure, ma'am, he's OK," reassured the caller. "This is the Santa Fe Trailways bus station in Ludlow, about 175 miles from Tempe City. Your boy said he missed his school bus and came upon one of our buses when the driver was fixing a flat. Guess he figured one bus was as good as another. The driver didn't notice him until he got to Ludlow. We'll send him back on the next bus."

Soldier Marries His Step-Sister

Seattle, March 29 (AP)—This is almost as complicated as one of those "I'm-my-own-grandpa" stories.

Pfc. James D. Christensen, 19, married his mother's second husband's 16-year-old daughter.

The wedding Tuesday night climaxed a 30-day furlough for Christensen from Alaska. The furlough gave him a chance to get acquainted with his step-father, George Miller—and his pretty step-sister, Edith Miller.

His marriage to Edith makes Christensen's step-father his father-in-law. Mrs. Miller, who is her son's

tion would designate, as in the past, the counties which would be open or closed to antlerless hunting. However, it would eliminate the present right of sportsmen and farmers within a particular county to declare it closed by petition.

STUDENT CONFAB
Philadelphia, March 29 (AP)—Beaver college in suburban Jenkintown will be host to 300 delegates from 47 Middle Atlantic states colleges and universities for three days beginning today. The three-day session of the annual Model General Assembly of the United Nations will be conducted on the Beaver campus. Previously-prepared resolutions concerning problems facing the U.N. will be presented to the delegates who will carry on the order of business.

Breth said his bill is intended to help cut down what he termed the "unrestricted slaughter of antlerless deer in Pennsylvania."

It would accomplish this, Breth explained, by giving the state game commission the power for the first time to limit the number of special antlerless deer licenses to be issued in each county.

Since at the present time a hunter may hunt both the antlered and antlerless deer with the same license, there is no way of limiting the number of hunters during the antlerless season. The special license plan would impose such a limitation.

Under the bill, the game commis-

COMMUNITY TO PARTICIPATE IN CHURCH SERVICE

Two more services in celebration of the rebuilding of the Church of the Incarnation Evangelical and Reformed and in connection with its dedication, which took place Easter Sunday night, will be held, one tonight, and the other Friday night. Both will begin at 7:30 o'clock. Tonight's service will be a community affair, when greetings will be brought from the other churches by their pastors.

Rev. Adam Grim will bring greetings from the Trinity Methodist church. This church opened its doors to the Reformed congregation after its building was destroyed by fire February 26, 1950. Rev. Charles Owen and Rev. Philip Bower will bring the greetings from the Presbyterian and the Lutheran congregations respectively.

The Chapel choir of Elias Evangelical Lutheran church will sing for tonight's service. The choir will be directed by Mrs. Clarence Bartholomew and Miss Ruth Shuff will serve as the organist.

Sacred Music Program
Friday night there will be a program of sacred music presented by Prof. Oliver Spangler of Western Maryland college. College vocalists will sing.

The appointments of the new church include a wine-colored carpet from the entrance through the chancel to the altar. The walls are white and the ceiling is of a modern panel design giving a maximum amount of light. The pews are of medium dark solid oak and this color and material carries through all the furnishings, including the new chancel with a full-sized lectern and pulpit, the organ console and three choir pews on the side and center and the high paneled altar at the extreme rear all surrounded by a chancel or Holy Communion rail.

Oppose TV In Congress Halls

Washington, March 29 (AP) — Some veteran lawmakers lined up today against televising the Senate's session.

As an outgrowth of the biggest TV show ever — the Senate Crime Investigating committee's hearings — Senator Wiley (R-Wis.) has proposed a broad study by the Senate Rules committee of the problems involved in TV and radio broadcasting of Congress' doings. But Chairman Hayden (D-Ariz.) indicated to a reporter that Wiley's resolution is likely to gather dust in the rules committee's files.

Senator Connally (D-Tex.) said he doubts the Senate will ever permit TV cameras to turn their bright lights on the Senate chamber itself in operation.

And Senator Taft, of Ohio, chairman of the Republican Policy committee, had little patience with the idea. "I think television interferes with the serious business, even in committee hearings," he said. "The senators are talking to the people rather than to each other and that makes it difficult to get anything accomplished."

New York, March 29 (AP) — Great Britain will send an adult Girl Scout worker to Scranton, Pa., to act as counselor in a camp. She will be one of 12 from foreign countries to serve as counselors in camps in this country. At the same time nine adult workers from seven states will go to other countries to act as counselors this summer. They will leave in July and return late in August under the international movement's program for exchange of staff workers.

LOYALTY BILL PASSES SENATE AFTER DEBATE

Harrisburg, March 29 (AP) — A Senate-passed bill requiring all state, municipal and school employees to take a loyalty oath declaring they are not subversives moved into the House today.

The measure got by the Senate last night on a 42-7 vote following a heated debate.

Democrats split their 29 votes mainly on the issue of whether the bill should be recommended to a committee for public hearings. Republicans voted solidly in favor of the measure.

The bill, sponsored by Sen. Albert R. Pechan (R-Armstrong) also would require a loyalty oath from faculty members of state colleges and state-aided colleges and universities.

Sen. Bernard B. McGinnis (D-Allegheny), one of its opponents, said the bill was "the most controversial bill of the year."

"Such a law would never catch a single Communist," McGinnis declared. "It will serve only to offend some school teachers and some other persons conscientiously opposed to

taking oaths."

Sen. Joseph J. Yosko (D-Northampton), who proposed that the bill be given public hearings, said that the subversives "would not hesitate to sign anything to further their purposes."

"They will not be eliminated by this oath," Yosko declared.

Yosko voted for the bill declaring that his point merely was to obtain public hearings since the measure had drawn more mail than any other bill of the Legislature session.

"If these people want to be heard, let's give them a chance to be heard," said Yosko, but his motion for hearings was rejected by Republicans in a voice vote.

Even as the bill headed toward the

House, however, questions of its constitutionality were raised by Sen. Maxwell Rosenfeld (D-Philadelphia). Rosenfeld said the title of the bill does not mention the words "subversive organizations" although the bill itself does. The state constitution requires that the title of a bill contain an adequate description of the bill. "This in itself is enough to throw this bill out," Rosenfeld declared.

The Philadelphia Democrat added that even though the bill might serve a purpose in making subversives liable to perjury charges for taking the oath, it would "defeat itself" because convicted perjurers never would be able legally to testify in other cases against subversives.

SHIELDS URGES SPRING CLEANUP

Adams countians were urged today by State Sanitarian William I. Shields to utilize April as a clean-up month in the interests of sanitation.

"Go over the entire house and out-buildings with an eye for junk and trash that has accumulated through the winter months. Much of the material, including old papers, magazines, books, rags, bottles and the like, will be found in the attic or down in the cellar—get rid of all this junk.

"Clean-up programs properly carried out by residents of the county will not only result in improved sanitation but will serve to prevent serious fire loss, loss of property and possible loss of life.

"The campaign of cleanliness should be extended to the exterior as well as the interior. All water supplies should be protected by tight floor covers against surface drainage. Cesspools and septic tanks should be cleaned, as should outside toilets. Garbage cans should be cleaned and gutters opened. Stable yards, chicken coops and pig pens should be given a complete overhauling before hot weather arrives.

"As a germicidal treatment for wells and springs you should take a 12-ounce can of chloride of lime and place it in a clean bucket, and mix thoroughly with enough water to form a paste. This paste should then be stirred into one gallon of water and be thoroughly mixed. The mixing should be done in the open air. Pour this mixture into the well or spring and allow it to remain there for about 15 hours. Pump off generous amounts of water each day thereafter until the odor of chlorine has disappeared. The water should then be safe to use if all causes of contamination have been removed."

New Oxford

New Oxford—Mr. and Mrs. Curvin A. Miller announce the birth of a son, their seventh child, at the Hanover hospital during the past week. Mrs. Miller was formerly Miss Pauline Hackensmith.

Michael Joseph is the name given to the infant son of Walter W. and Betty Shultz Arendt, born March 15 at the Hanover hospital.

Word has been received by local relatives of the recent serious illness of P. E. Rightmire, Honesdale, formerly of Hanover, who has been suffering the effects of a severe heart attack and is still confined to his home.

The Rev. Francis Reilly has returned to the Jesuit Seminary, Wood-

stock, Md., after spending the Easter holidays at the Immaculate Conception rectory to assist the local pastor, the Rev. Robert D. Hartnett, during the special services of the week. Father Reilly celebrated the high Mass on Easter Sunday and also preached the last Lenten sermon after Stations of the Cross on Good Friday evening.

New residents of this section include Mr. and Mrs. Marvin Spangler, formerly of near Abbottstown. Cattle and poultry, farming machinery, furniture, including antiques, home appliances and building lots were sold at public auction Saturday afternoon at the farm of Mr. and Mrs. C. F. Null, near Cone-Keys. The sale was one of the largest held within recent years in this section.

Mrs. Robert B. Hemminger was hostess Tuesday evening to fellow members of the local Garden Club. "The Life of the Modern Rose," a sound motion picture, was a feature of the meeting at her home.

The march meeting of the Sunbeam Circle class of the Pines Lutheran Sunday school, New Chester, was conducted Tuesday evening.

Harrisburg, March 29 (AP)—Pennsylvania's voters will decide whether a convention will be held to write a new state constitution, Sen. John M. Walker (R.-Allegheny) predicted

Tuesday.

The Republican floor leader said a Senate committee will come up shortly with a bill to give citizens a chance to vote on the convention question at the July 24 primary elections.

Walker took steps in the direction by having two bills touching on the proposed constitutional convention returned to committee for amendment.

FORCE MAY BE
DETERRENT BUT
REASON IS FINAL

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

From Singapore comes news that the village of Jenderam, British Malaya, which until recently housed 1,500 people, is to be turned as punishment for aiding Communist terrorists.

The inhabitants have been interned. All livestock and personal property have been removed and sold, the proceeds being divided among the evacuees. The next step will be to put the torch to the village.

A P. Correspondent Larry Allen, in Singapore, reports that the British are convinced Jenderam has been the focal point for terrorist activities in the state of Selangor. He says it long has been a village of silent, sullen people and its reputation steadily has gone from bad to worse.

Not Uncommon There
This sort of punishment may surprise some of the Western world. Still, it's not uncommon in the Far East, where many native populations are largely primitive people who are regarded as not being susceptible to persuasion by argument. I first encountered this type of chastisement some 35 years ago up on the northwest frontier of India, by the famous Khyber Pass. The border region between India and Afghanistan in this desolate area was inhabited by Mohmands, a tough and primitive Pathan tribe, who through the generations had been trouble makers—and still are. These tribesmen were constantly raiding British settlements near the big city of Peshawar which is not far from the Khyber's entrance. Robbery was common and murders not uncommon.

Force Won't Decide
When the Mohmands made a bad raid into British territory the punishment frequently was the destruction of the tribal village from which the marauders came. The British would send word to the head of the tribe that the village would be destroyed by bombing at a certain time. The inhabitants were warned to take their belongings and clear out for their own safety.

After the tribesmen had evacuated their village, a British warplane dropped a bomb which wiped the place.

Baltimore Mayor
Is Renominated

Baltimore, March 29 (AP)—Baltimore Democrats renominated Mayor Thomas D'Alesandro on Tuesday over three rivals by a majority of nearly three to one.

The one-time Maryland congressman had the backing of practically all party factions in his bid for nomination to a second term. Joseph L. Carter, a close friend of Republican Governor Theodore R. McKeldin, won the Republican nomination to oppose D'Alesandro in the regular elections.

The vote was light though the place out. This treatment acted as partial deterrent.

As regards the present Malayan situation, one suspects that the burning of a village will act only as a temporary deterrent. The British like a lot of others are up against the toughest proposition the world has ever known—the bolshevist crusade to communize the globe. There are times when force has to be used, of course.

However, while force may have to be used as a temporary expedient, it will be solid reason, and attractive reason, which will win in the long run.

MAY NOT HOLD PUBLIC HEARING ON INCOME TAX

Harrisburg, March 29 (AP) — The legislature's two tax committee chairmen joined today in discounting a suggestion for public hearings on the administration's proposal for a one-half of one per cent personal income tax.

Chairman Wrayburn B. Hall (R-Forest) of the House Ways and Means committee and Chairman T. Newton Wood (R-Luzerne) of the Senate Finance committee said there haven't been enough requests for hearings.

"I have had just about 30 letters, most cards or telephone calls on the income tax bill," said Wood, "and only a handful mentioned anything about public hearings."

Dent To Demand Hearing
But Sen. John H. Dent, Democratic floor leader, said he would demand a public airing of Gov. John S. Fine's entire \$163,000,000 tax program when the bills reach the Senate.

The tax measures, including the income tax proposal, reached the House floor yesterday less than 24 hours after they were introduced. Speaker Herbert P. Sore (R-Elk) said House Republicans will take caucus action on taxes next Monday. And Hall forecast that the entire tax package will clear the House within a week.

The income tax bill, designed to raise \$119,000,000 a year, and an increase in the four per cent corporate net income tax to five per cent were asked by Fine to balance his \$123,000,000 budget for the next two years.

Hits "Covetous Politics"
Defending his tax program, Fine issued a special statement yesterday describing attacks on need for additional revenue as "plain covetous politics."

Dent has led a Democratic onslaught on the tax program, claiming the budget is "full of fat" and could be cut on such items as \$136-

000,000 for public assistance and \$20,000,000 for civil defense.

Senate action yesterday featured passage by a 42-7 vote of a bill to require state, municipal and school employees to take a loyalty oath that they are not subversives under penalty of dismissal.

An hour and a half debate preceded the bill's approval as the bill's sponsor, Sen. Albert R. Pechan (R-Armstrong), beat down a Democratic move to return the measure to committee for public hearings.

Quakers Object
Sen. Maxwell S. Rosenfeld (D-Phila.) said the bill was faultily written and could not stand a constitutional test. On one point, he said organizations that may be listed as subversive by the attorney general would have no power to appeal the designation.

Rosenfeld also cited that such non-Communist groups as Quakers

have requested public hearings. Quakers, as members of the Society of Friends, oppose oath-taking on conscientious grounds.

In another development, the appointment of Dr. Richard Gerstell, 40, Lancaster, as executive director of the state civil defense council culminated a long civil defense grind through the legislature. Gerstell, author of a best-selling book on how to survive an atomic attack, was named to the \$13,000 a year post by the 13-member council.

Says 20 Million Needed
The council chose Dr. Theodore A. Distler, president of Franklin and Marshall college, as its non-salaried chairman. Distler had served as a \$15,000-a-year civil defense director under an interim setup.

Fine, taking note of Democratic criticism of a proposed \$20,000,000 allocation for civil defense, said he made the recommendation "because

CHINA SCOFFS DOUG'S BID TO END KOREA WAR

Tokyo, March 29 (AP)—Red China rebuffed General MacArthur's peace bid today as impertinent, insulting and "worth only a single laugh."

A Communist broadcast from Peking said "The entire Chinese people will fight unrelentingly until the aggressor is completely driven from Korea."

It gave the Chinese a distorted version of MacArthur's statement of last Saturday.

The broadcast said MacArthur "has declared that the United States and Britain are preparing to directly invade China."

MacArthur, in offering to talk peace with the Communist com-

mander in Korea, warned that China would face military disaster if the United Nations should carry the war to its shores.

"Sacred Struggle"
The U.N. top commander already was in hot water with Washington administration officials for what were called political aspects of his peace talk offer.

MacArthur had emphasized that a peace settlement must fit into U.N. objectives for a unified, independent Korea.

Twisting his proposal into a propaganda boomerang, the Communists called China's millions to fight to the finish.

For the first time, China spoke of the entire Chinese people as committed to a "sacred struggle for the defense of their state." Previously Red China has called her troops in Korea "volunteers."

The Chinese language broadcast said the "Chinese Committee for the Defense of Peace" had termed the MacArthur bid "insulting to the

Fliers Buzz Turkey; Owners Ask \$5,500

Los Angeles, March 29 (AP)—Their turkeys went crazy, say Robert and Charles Goodman, when Air Force dive bombers buzzed their ranch last October.

They filed a suit for \$5,500 damages yesterday in federal court against the government.

Their ranch is at Newberry, Calif., in San Bernardino county. "No less than 20" planes swooped as low as 50 feet in roaring over the ranch from October 1 to 5 last year, the Goodmans said. This made the turkeys "stampeded, run into posts, knock down fences, and bruise themselves to the point of death," they charged.

Deland, Fla., March 29 (AP)—General Manager Branch Rieck of the Pittsburgh Pirates today expects to get his first look at nine Bue minor league farm clubs in training here. On tap are two camp league games and a tilt between the New Orleans Pelicans, a Pirate farm club, and Louisville.

people of Korea and China."

Charge Aggression Plan
"MacArthur's statement is impertinent and is worth only a single laugh," said the broadcast, heard in Tokyo by the Kyodo News Agency.

"It has declared that the United States and Britain are preparing to directly invade China."

"The entire Chinese people will step up its sacred struggle for the defense of their state and will continue to fight unrelentingly until the aggressor is completely driven from Korea."

This belated reply to General MacArthur's March 24 statement came after it had stirred up critical reaction both in Washington and London.

The Truman administration was reported to have asked the U.N. commander-in-chief to clear future statements of a political nature with the State Department.

PROMISE QUICK ACTION ON TAX

Harrisburg, March 29 (AP)—Chairman Wrayburn B. Hall (R-Potter) of the House ways and means committee has promised quick action on a bill to impose a one-half cent income tax. He said his committee is ready to approve the measure for floor action as soon as it is printed and distributed to the lawmakers.

The legislation, designed to raise \$119,500,000 in the next two years, was introduced in the House last

night under Hall's sponsorship and with administration backing.

"Our plan is to bring the bill to the floor so that members can seek reaction from their constituents over the week-end and come back here next week ready to decide on further action," he said. Hall added, however, that the bill may be returned to committee for technical amendments.

The income tax bill incorporated a section to permit some 200 municipalities to continue existing local wage taxes. Hall interpreted the section, however, as banning new local wage levies.

The rest of Gov. John S. Fine's

tax package to balance his \$1,220,000,000 budget for the next two years also appeared in the House. One bill would make permanent the entire four-cent-a-pack cigarette tax. At present only a two cents tax is permanent. The other tax measures call for continuance of the 14-mill gross receipts tax on public utilities, cent-a-pint levy on beer, 5-cent-a-gal. gasoline tax and postponement for another two years of the manufacturer's exemption from the five-mill capital stock tax.

In other legislative developments, both Houses swung into action on an administration plan to hold annual sessions of the Legislature.
